

**Planet XX: Women in Music**  
A special series devoted to female musicians in the New York Music scene. In celebration of Women's History Month.

# Jezebel

Sat, 3/30 at 9pm

Singer, songwriter, bassist, and performance artist Jezebel performs her electric fusion of jazz, rock, and R&B. A staple in NYC's underground alternative rock and jazz scenes, Jezebel is sure to rock the house with her new material.

Sat, 3/30 **Jezebel**

Singer/songwriter/bass guitarist Jezebel unleashes new material and performs songs depicting the struggle and survival of a new generation. As lead vocalist, co-composer, and co-lyricist, she formed KZ in 1984, a three-piece rock band which opened for major acts such as The Three (Emerson, Lake & Palmer), Ziggy Marley, and Midnight Oil.
